Telling Time to the Hour

we measure time in hours and minutes using a clock

1. Look at the hour hand.

The hour hand is the shorter hand on the clock. It points to the hour.

2. Look at the minute hand.

The minute hand is the longer hand on the clock. It points to the minute.

If the minute hand is on the 6, it is half past the hour. For example, if the hour hand is on the 1 and the minute hand is on the 6, it is half past 1.

- You can also say "30 minutes past" instead of "half past." For example, you could say "It is 30 minutes past 1."
