

# Reading Fluency Checklist

## Accuracy:

- I read all the words correctly.
- I do not miss reading words or word endings.
- I do not add extra words while reading.
- I correct myself if I make a mistake while reading.

## Speed:

- I read at a steady and easy-to-understand speed.
- My reading sounds like I am having a conversation with my friends.

## Expression:

- I do not sound like a robot when I am reading.
- I use an appropriate tone to convey the author's thoughts and ideas.
- I read smoothly with emotions and feelings.
- My facial expressions and body language align with the tone and expression of my voice.

## Punctuation:

- I take necessary pauses wherever there is a comma or period.
- I stress important words in the text.
- I emphasize words marked in bold or italics.
- I change the tone of my voice when there is an exclamation point or question mark.

## Phrasing:

- I group words into phrases.
- I can read 3 to 5 words together, so it is easy to understand.

## Comprehension:

- When I read, I look forward to learning something new.
- When I read a sentence, I check to see if I understand its meaning.
- I can explain what I read after I have finished reading.
