

If you can change your name, what new name will you choose for yourself?

What is the one silliest thing you would love to do?

If you could have any superpower, what would you love to have?
And why?

If you could be any animal or bird, what would it be?

What is the
one rule that
you wish to
break?

Do you think
animals and
birds have the
same
vocabulary as
humans?

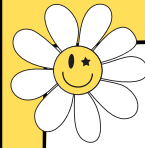

If you have a
magic wand,
what spell will
you create and
how will that
spell work?

If you could
make your home
on a different
planet, which
planet would
you choose?

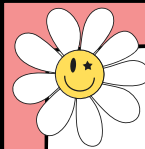

What if you suddenly had rabbit ears and a fox tail?

Do you think unicorns have bright and shiny tails?

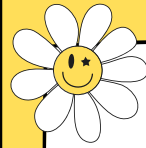

Do you think mermaids rule the ocean?

Who do you think is more smart? Humans or animals? Why?

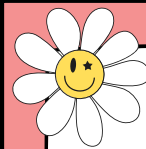

Do you think
it's fun to be a
panda?

If you could
peek inside
someone else's
dream? Who
would you
choose?

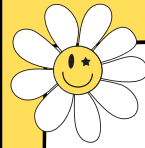

If you could
trade places
with one person
for a day, whom
would you trade
your place with?

What would
you do if
you
became
invisible?

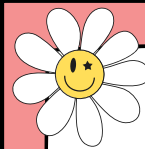

Do you think
having 4 legs
will help you
run faster?

Who do you
think will win in
a fight between
a butterfly and
a bird? Why?

How do you
think aliens
will describe
us?

What if you can
collect stars in
a jar? Will you
pluck them
from the sky?
